

SURGICAL INFORMATION PACKET

Dear Client,

Your pet has been scheduled for an upcoming surgery in the near future. In our attempt to assist clients, we have put together this packet to make surgery day as easy and stress-free as possible.

In addition to this letter you will find the following information has been enclosed:

1. Pre-Operative instructions
2. Routine Procedure Consent Form (**Initial and bring in the day of Surgery**)

Please read carefully all the enclosed information. If you have any questions, please feel free to call us. We require you to review and sign the **Routine Procedure Consent Form**- which allows you to choose optional services. This form will be given to you at the physical and if misplaced will be available to be printed. This form is to be brought in during admitting your pet for services.

We require a phone number(s) where you can be reached surgery day. **Failure to be reached on the day of the procedure may result in postponement of the surgery.**

Once all consent forms are signed and handed over to the staff at the front desk, one of our veterinary technician's will escort your pet to the surgical prepping area to wait for their surgery. If you have elected any of the recommended blood tests, our technician will collect all blood samples and tests prior to surgery. If any questions arise, our office may contact you at the number on the **Consent Form** you have provided.

You are welcome to check up on your pet's status, however, we request that you allow plenty of time for your pet's procedure to be done. At this time, we will be able to give you an idea when your pet may be discharged. When you arrive to take your pet home, the office staff will bill you out and the veterinary technician will go over all discharge instructions verbally and give you a written copy. If you do not understand any instructions, please do not hesitate to ask them to go over them one more time.

We hope surgery day will be a pleasant experience. Remember, our team knows surgery can be an anxious time and we are always available to answer any and all questions concerning the upcoming procedure.

We look forward to serving you and your pet on the upcoming surgery day and years to come.

The Staff at Buckeye Run Veterinary Clinic
